# Acoustic Roots Orchestra

We welcome all students in grades 3–12 who are interested in learning, playing and singing music from different roots genres.

This year, we will learn *Wagon Wheel*, *Goodbye Liza Jane*, *Kerry Polka* and *Britches Full of Stitches* covering country, bluegrass, western swing, old-time and Celtic genres.

You must play an acoustic instrument—violin/fiddle, guitar, mandolin, banjo, bass, accordion, viola, cello, or ukulele, (limited numbers of certain instruments) and be able to play at least 3 scales (D, G, A) or 6 chords (G, C, D, Em, A, E).

We supply written music, audio recordings (normal and slow tempos) and video recordings instructing the tunes/songs. We offer music at different levels PLUS in-person and Zoom instruction on days/dates/times/locations listed.

**All of the above for ONLY \$50 per student. Scholarships are available.**
